

CARE INSTRUCTIONS V3

FUSE Vinyl

Regular Care

- Protect from direct sunlight.
- Remove dust by wiping with soft, lint free cloth.
- Wipe with a clean non-coloured cloth dampened with a solution of mild soap and lukewarm water.
- Do not scrub.

Cleaning

- Treat spills and stains as soon as possible.
- Gently wipe any soil or liquid from the surface of the vinyl with a clean soft cloth.
- Test any cleaning products on an inconspicuous area for colourfastness prior to commencing cleaning.
- Dry away from direct heat and sunlight.
- For cosmetics and ink, oils and grease, clean as below:

Cosmetics

- If after treating as above, stain is persistent clean with 10% solution of ethanol and water. Then wipe with a clean cloth dampened with fresh water and then wipe dry.

Inks, Oils and Grease

- If after treating as above, stain is persistent clean with perchlorethylene working inwards from the edge of the stain to prevent it spreading.
- Use a small amount of cleaning liquid and do not over wet.

Important

- Test any cleaning products on an inconspicuous area for colourfastness prior to commencing cleaning.
- Dry away from direct heat and sunlight.
