ORIGIN	Made in Australia								

ENVIRONMENT

- 100% third-party certified polyester yarn: meets human ecological requirements according to Oeko-Tex Standard 100 Class I.
- Manufacturer has reduced water + energy use, reuse + recycling of waste

GREEN STAR

- MOJO can be used on white vertical surfaces certified to Ecospecifier, AFRDI, ECNZ and GECA.
- The Green Star Rating Tool states “Where at least 90% of an item’s mass is certified to a GBCA recognised standard, the item can be entered as a certified product at Level A, B or C.” Therefore any fabric can be used as fabrics are almost always under 10% by weight of a furniture item.

WELL

- MOJO can contribute to the following WELL criteria:
- Toxic Material Reduction: MOJO is free of PFCs, flame retardants, phthalates and urea formaldehyde
