ENVIRONMENT

- BIG NEWS is breathable which aids in reducing mould and mildew on the wall.
- All inks and coatings are water soluble and do not contain heavy metals such as chromium, cadmium, mercury or lead.
- BIG NEWS is woven from repurposed newspaper and recycled paperboard. Due to its natural content, it is free of heavy metals, plasticisers + fire retardant chemicals.

PRODUCT INSTALLATION

- Before cutting or installing this wallcovering, please refer to the detailed installation instructions for BIG NEWS supplied with each shipment and available from our website.

CARE + MAINTENANCE

- Due to the delicate nature of the finishes, care must be taken not to damage or mark the surface due to abrasion / rubbing.
- General maintenance can be achieved with periodic dusting or vacuuming with a soft brush attachment.
- Remove ordinary dirt and smudges with a mild soap and warm water solution.
- Always test the solution on an inconspicuous portion of the wallcovering before proceeding, checking that there is no adverse effect on finish, colour or gloss.
- Care should be taken on dark colours due to the possibility of causing 'light marks'. Always use a blotting action rather than rubbing to avoid abrasion.
- Rinse thoroughly with clean water from the top down using a sponge.
- Dry with a soft lint free cloth or towel.
- Avoid alcohol / solvent based cleaners.
- BIG NEWS care and maintenance instructions can be downloaded from our website.

WARRANTY

- For a period of 3 years from date of invoice this wallcovering is guaranteed to be first quality and free of manufacturing defects. This warranty applies only to professionally applied installations according to the recommended installation instructions, and proper care and maintenance using appropriate cleaning agents as outlined in the care and maintenance instructions.
